PRESS RELEASE October 7,1993

WORKSHOP SLATED FOR HIV/AIDS CAREGIVERS

The Southern Colorado AIDS Project is presentng a three part HIV/AIDS Caregivers' workshop November 1, 8, & 15 from 6 - 8 p.m. each night. The first program will focus on psycho-social issues for persons living with AIDS and their families,and legal issues pertaining to HIV/AIDS. The second program will cover entitlements, S-CAP services, local medical availability, and insurance issues. The third program will focus on home - care, end of life issues, and hospice care. Registration is available at this time only to those people who can participate in all three programs. To register call the S-CAP office at 578-9092.

The Southern Colorado AIDS Project was founded in 1986 to address the growing need for information regarding HIV/AIDS. Today S-CAP provides direct support and services to more than 150 HIV positive individuals, their families and friends.
